AWARDS: AS THE PODIUM IS COMPLETED

PRESENTATION:

The organizers, CORREMONTES DEL PICO DE ORIZABA, A.C. We have given ourselves the task of carrying out sporting events in the specialty of TRAIL and ULTRATRAIL. In addition to being committed to the environment, we collaborate SOLIDARILY with the surrounding communities supporting young people with potential within athletics, primarily, REFORESTATION and the performance of the activities of the Pico de Orizaba National Park, especially the Brigade against forest fires . Through the joint participation of RUNNERS, SPONSORS and ORGANIZERS, we contribute resources in a SOLIDARY way to the community and the National Park, as mentioned above. This year we celebrate the FIFTH edition of the Sky Ultra Pico Mx event.

In 2018 Sky Ultra Pico Mx 130K ranked FIRST in Mexico of the ULTRAMARATONES with 6 ITRA points

A part of the route of the Sky Ultra Pico Mx 100M coincides with the route taken 172 years ago by the North American expedition of Captain W.F. Raynolds to the top of Pico de Orizaba, touching the highest point within the mentioned National Park above 4,200 meters above sea level.

WHAT THE FINISHERS SAY:

A beast that hypnotizes us with its spell" Héctor Totti

"The ultra that I will never forget because of the difficult challenge." Ranulfo Sánchez;

"What I take with me is an unforgettable experience. I have run ultra marathons but this has been the most difficult for me " Leonel Cuevas.

"I never imagined that in Veracruz a trail as difficult as this could be built. From my point of view, this is the most complicated trail I have run in Mexico. " Toño Gama

SKY ULTRA PICO MX 100M (160K)

The best trail event of all time in MEXICO, # 1 of the Top TEN Mexico 2018!

An extraordinary adventure that will allow trail runners to cross the jungle and the mountains. It is above all living an inner adventure, a unique experience in which each participant must strive and overcome their mental and physical limits to cross the GOAL. Qualified by ITRA.

The route runs along roads, paths, paths and gaps with any number of nuances, landscapes, viewpoints, towns and natural and architectural charms. The DEPARTURE and FINISH line will be located in Orizaba at 1,236 meters above sea level. The route will take you through: Ixhuatlancillo, Mariano Escobedo, La Perla; San José Pilancón, the China Cave, the Pico de Orizaba National Park (4,200 masl), Villas Pico de Orizaba, and finally passing through Tequila, Magdalena, Tonalixco, Omiquila, San Juan del Rio (Rafael Delgado), ending in Orizaba Bicentennial Square (1,236 masl).

Take a good look at the marking marks. If you don't see signs, go back until you find the last sign mark you saw. THE BEST WAY TO LOSE YOURSELF is to follow the runner in front WHO MAYBE ALREADY LOST THE ROAD. 06.10.2020
